Pair with grilled beef, fish tacos and any dessert.

Challenging what a lager can be? That's something they won't regret.

huge peach aroma, filling your senses with juicy anticipation. The wealth of stone fruit flavor is rounded out with an Abbey ale yeast to create a medium-bodied drink with all you'd ever need from a beer.

### Firestone Walker Brett Tangerine

Their region is blessed with an abundance and variety of fresh fruit. South of Barrelworks in the hills surrounding the hamlet of Ojai, there are groves of citrus – oranges, lemons, grapefruit and tangerines. They've been lucky to work with the Ojai native Friends Ranchers who specialize in tangerines. Friends offered the W. Murcott Tangerine which they zested for aroma, juiced for flavor, and then fermented with their base beer of Brett Weissito to create a metamorphosis. Brought to life was Brett Tangerine! A bountiful bouquet of citrus mingles with pronounced herbal notes, leading to funky, yeasty, citrus flavors. Soft cereal and oak aromas are enveloped by a firm acidity and tartness and punctuated by zesty tangerine. The finish is dry and crisp; a thoroughly enjoyable beverage. Santé!
